E. PUBLISHED BOOKS (since the last appointment) / OBJAVLJENE (od posljednjeg izbora u zvanje)

The Committee finds that Dr. Kudumović didn't publish a book since the appointment to the academic title of assistant professor, which is condition to appointment for associate professor position.

According to the Law on Higher Education and IUS Statute, due to justified reasons requirement of published book may be substituted with 3 additional scientific papers over 5 required for appointment to the title of associate professor.

Considering that promotion criteria at university abroad where Dr. Kudumović spent part of her current academic appointment term is different from domestic ones, and that the Statute of IUS allows substitution in such a case, the Committee concludes that in this case the substitution of published book with three additional scientific papers is justified and applicable.

/

Komsija nalazi da Dr. Kudumović nije objavila knjigu od izbora u zvanje docenta, a što je uslov za izbor u zvanje vanrednog profesora. Prema Zakonu o visokom obrazovanju KS, odnosno Statutu IUS-a, uslov objavljene knjige može se iz opravdanih raloga supsituirati s tri dodatna naučna rada, u odnosu na pet potrebnih za izbor u zvanje vanrednog profesora.

S obzirom da su kriteriji akademskog napredovanja na univerzitetu u inostranstvu, gdje je Dr. Kudumović provela dio punog trenutnog akademskog zvanja, različiti od domaćih, te da Statut IUS-a predviđa supstituciju u takvom slučaju, Komisija zaključuje da je u ovom slučaju supstitucija knjige sa tri dodatna naučna rada opravdana i primjenjiva.
