PROPOSAL AND RATIONALE / PRIJEDLOG I OBRAZLOŽENJE

The committee members reviewed the submitted documents and entrance lectures of both candidates. Both candidates meet the formal requirements of the competition. However, candidate Agić demonstrates an advantage over candidate Tarhaniš in terms of professional experience, having served as an assistant at the Politecnico di Milano and as an associate designer in an architectural office. Furthermore, he has provided evidence of being the top student at the Faculty of Architecture in Sarajevo, along with several awards, commendations, and letters of recommendation. Additionally, candidate Agić's entrance lecture reflected a higher level of preparedness and ability to effectively present knowledge.

Pursuant to the established facts, and in accordance with the provisions of the Law on Higher Education of the Canton of Sarajevo ("Official Gazette of the Sarajevo Canton," Nos. 36/22 and 28/25), as well as the terms of the public vacancy for the position of Senior Assistant, the Selection Committee unanimously proposes that the Council of the Faculty of Natural and Technical Sciences of the International University of Sarajevo appoint Hamza Agić to the academic title of Senior Assistant in the scientific branches of Architectural Design; Building Construction, Materials, and Technology; Urbanism and Spatial Planning; History, Theory, and Protection of Architectural Heritage.

BILINGUAL REPORT - DVOJEZIČNI IZVJEŠTAJ

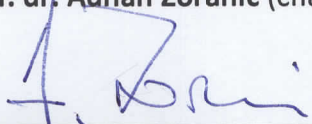

This proposal is made on the basis of the candidate's superior qualifications, relevant professional experience in architectural practice and academic teaching, as well as the higher quality and level of preparedness demonstrated in the entrance lecture.

/
Članovi komisije su razmotrili dostavljene dokumente i prijemna predavanja oba kandidata. Oba kandidata ispunjavaju formalne uslove konkursa. Međutim, kandidat Agić pokazuje znatnu prednost u odnosu na kandidata Tarhaniš u pogledu profesionalnog iskustva, s obzirom na to da je radio kao asistent na Politehničkom univerzitetu u Milanu i kao saradnik-projektant u arhitektonskom birou. Nadalje, pružio je dokaz da je bio najbolji student na Arhitektonskom fakultetu u Sarajevu, uz nekoliko nagrada, pohvala i preporuka. Pored toga, prijemno predavanje kandidata Agića odražavalo je viši nivo pripremljenosti i sposobnosti efikasnog prezentiranja znanja.

Na osnovu gore utvrđenih činjenica, u skladu sa odredbama Zakona o visokom obrazovanju Kantona Sarajevo ("Službene novine Kantona Sarajevo" broj 36/22 i 28/25), i raspisanim konkursom za radno mjesto Višeg asistenta, komisija za izbor jednoglasno predlaže Vijeću Fakulteta prirodnih i tehničkih nauka da imenuje HAMZU AGIĆA, kao najbolje ocjenjenog kandidata od strane Komisije, u akademsko zvanje VIŠEG ASISTENTA za naučne grane "Arhitektonsko projektovanje", "Arhitektonske konstrukcije, materijali i tehnologije", "Urbanizam i prostorno planiranje" i "Historija i teorija arhitekture sa zaštitom naslijeđa" na Fakultetu prirodnih i tehničkih nauka Internacionalnog univerziteta u Sarajevu. Odluka je donesena na osnovu boljih karakteristika, iskustva u arhitektonskoj praksi i nastavnom procesu, te boljeg pristupnog predavanja.
