Part IV. (For Official Use Only)

Request approved by Faculty Council held on _____, Decision No. _____

EXCERPT FROM THE STUDY RULES FOR THE THIRD STUDY CYCLE**Selection and appointment of a mentor****Article 23**

- 1) By the end of first year, third cycle student chooses a mentor for his/her dissertation from the body of the full time IUS teachers (assistant professors, associate professors and full professors) with PhD, for scientific areas. Student fills the mentor form, with the consent of the mentor, and submits it to the program coordinator.
- 2) Program coordinator brings the student's proposal to the Faculty Council for approval.
- 3) For doctoral dissertation in artistic field two mentors may be appointed: a mentor for artistic project and a mentor for doctoral part of doctoral dissertation. Mentor for artistic project is a full time IUS teacher in artistic-teaching title and mentor for doctoral part of dissertation is set according to the criteria from paragraph 1 of this Article.
- 4) If the subject of the dissertation requires more than one mentor, then a co-mentor can be appointed, and the decision thereof is made by the Faculty Council upon proposal by the Program Coordinator.
- 5) Decision on appointment of the mentor, co-mentor, as well as decision on change of the mentor, is brought by the Faculty Council upon proposal of a student with consent of proposed mentor.
- 6) Mentor shares the responsibility of all the ethical issues related to the thesis. If the experimental work is related to the human or animals IUS Ethical Committee should give approval.
